

# Rollin' through the River Valley

## Bike Ride 2010 Sept. 7-9

# Cycle to Support Illinois Agriculture in the Classroom

Cyclists will travel through six counties enjoying the historical countryside of Illinois.

The beautiful scenery includes specialty crop farms, state parks, and the scenic river valley.

The Illinois Agriculture in the Classroom (IAITC) Bike Ride is a fundraising effort to support education efforts brought forth by IAITC. Riders make brief stops at schools along the routes to raise awareness and convey the important message of agriculture to Illinois students.
