

The Cass-Morgan Farm Bureau Foundation was organized to carry out charitable, scientific, literary and education work. Scholarships enhance the future of agriculture by providing financial assistance to Cass-Morgan Farm Bureau members, or their children who major in an agricultural-related field of study at a recognized junior college or 4-year institution that offers agriculture science courses.

To learn more about acquiring a scholarship application, general eligibility, criteria, terms, and deadlines, please call or email Cass-Morgan Farm Bureau at 217-245-6833 or [cmfb1@frontier.com](mailto:cmfb1@frontier.com)
