The IAA Foundation's 13th Annual IAITC Golf Outing took place at the Elks Golf Club and Wolf Creek Golf Club in Pontiac, IL on July 30, 2009. 210 golfers took to the links to support the Illinois Agriculture in the Classroom program.

The outing's live and silent auctions raised nearly \$5,000 for Illinois Agriculture in the Classroom. Livingston County volunteer, Rosie Duffy, donated 12 homemade pies to the cause. Rosie's pies raised over \$3,000 for IAITC during the live auction.

The day came to a close with a golf ball drop. The golf balls were dropped and the ball landing closest to the pin won a golf getaway. Additional cash prizes were awarded. Ticket sales for the Ball Drop Raffle raised a total of over \$4,000.
