The IAA Foundation is planning both a **Live & Online Auction** in conjunction with **the 2025 Illinois Farm Bureau (IFB) Annual Meeting** to benefit agricultural literacy programs like Illinois Agriculture in the Classroom (IAITC) and student scholarships.

The Online Auction runs December 5-7, and the Live Auction takes place in Chicago on Sunday, December 7. Again this year, ALL items will be in-person & on display at IFB Annual Meeting.

We look to you to help create the best possible auctions. *We know that YOU understand the importance of giving back and supporting ag literacy.* Last year, our members, sponsors, and agricultural organizations from across the state helped raise more than **\$50,000** for our efforts!

**Can we count on you to donate an Auction Item?**

You may be thinking, what items do best on auction? Hand-crafted and items unique to your community, experiences, holiday décor, farm collectibles, and sports memorabilia tend to do quite well. *Need some inspiration? Check out last year's top auction items on our website!*

Thank you for considering how you can help support the IAA Foundation through a donation. Items are requested no later than **November 3**. Details on how to donate are provided on the included form or at [iaafoundation.org](http://iaafoundation.org).

We can't wait to see what thoughtful, unique, and fun items you contribute!

With Gratitude,

Breanne Beisiegel  
IAA Foundation
