

# You asked....

# We listened

**All auction items will be back in person and on display in Chicago!**

## You can help create the best possible auction for Illinois Agriculture in the Classroom!

### **What items do best on auction?**

Hand-crafted and items unique to your community, experiences, holiday décor, farm collectibles and sports memorabilia tend to do quite well.

**Think:** What can't I get at Amazon or Target?

### **When can I make a donation?**

Donations are graciously accepted any time of year, so start planning now! Items must be delivered to the IAA Foundation by October 30 to be included in the 2023 auction.

### **How can I bid or view items?**

The auction will be fully hybrid. While items will be on display in Chicago, they can also be viewed on the auction platform, meaning anyone can bid!

### **Here's an idea! Pay it forward.**

Buy items at other auctions you attend and donate to ours.

### **QUESTIONS?**
